Dear Roy,

I wish to express my heartfelt thanks to you and your team for another excellent year in extending the sales and marketing of Mitsubishi Chemical's performance polymers in Vietnam; Taiwan; Indonesia; India and the Philippines.

For the last three years, you have shown great integrity in conducting our businesses and have also proven the value of your company's credit worthiness. I am most appreciative of your dedication and professionalism to expand our sales despite the many challenges faced. Without a doubt, the trust that has been established between our organizations will go a long way in the years to come.

As always, I look forward to extending our products sales to both current and new markets with Great Alliance. I believe 2014 will be an even more fruitful year and we will better the results year on year! Thank you for your support.

Yours sincerely,

Terence Sim
